We Staff 2 Stations: 111 Pavonia Rd. and 1930 N. Tamiami Trl.

\*\* Along with alternative water supplies this department utilizes a mutual aid response.

\*\* Some subdivisions have "Dry Hydrants" that are spaced every 1000'.

\*\* Most ponds are not useable due to location, drought, or inaccessibility. We cannot guarantee that just because there is a pond on the property it can be used.

**Please fax this form to us at 941-483-4202. We will fill in the information above (ISO rating, Mileage, and any other information requests. Please call us at 941-488-8855 if you have any further questions.**
